- **Unified Police Report**
 - Similar calls to prior months, a couple of domestic violence, traffic calls, thefts from autos, major issue locally and across the valley are thefts of catalytic converters, Jeff says 3 or more a night, not in WC, but we have had several. There is a gang and they have info on them and hopefully getting close to catching some, unfortunately there I more than one gang. He says reminder if you see something report it and keep your cars locked and valuables out of sight.
- **Special Guest Speaker from SLC Parks and Rec**
 - Dan Sonntag is new liaison for the Parks dept for Dimple Dell. Lots of new work being done in the park. Had an event last month clearing brush and debris with parks, Sandy Fire and UFA. Very successful. 10 were being paid but 20 more were volunteers
 - New restrooms being added near Smiths, working on the trailhead at 300 E with improvements, they are going to formalize many of the trails, and possible shut down some that have issues with not being good for the landscape.
 - Putting in new signs throughout with MM numbers and maps of the park.
 - We requested they check on encroachment issues on the north side, neighbors having fences on park property, dumping debris over their fences, etc.
- **ACCT Meeting Report by Phil Cardenaz**
 - Most of the meeting was given by Linda Fargetis concerning the Great Salt Lake decline, which is getting critical. It could become as bad as Mono Lake in CA. Dust from the lake bed can be hazardous. Speaker gave a great presentation with visual examples from the Friends of GSL.
- **Community Projects if Needed**
 - Permission and vote on doing the Angel tree donation again. We will try to keep the total around \$500 and will do 5 recipients this year. Jill and Linda will handle.
